**To: All Member Associations
European Ostomy Association.**

RE: Annual dues for 2016.

Enclosed is the annual dues invoice for the year 2016 for your association.

The amount of dues for the year 2016 is based on the number of individual members in your association as reported to us for the year 2014 or earlier. **Should this estimate be incorrect** please advise us immediately and we will arrange a revised billing to correctly reflect actual membership and, consequently, revised dues to be paid. Please make your payment as soon as possible.

Below you can see how the dues are calculated. If an organization has 500 or less members its dues are 180 CHF and so on.

Members :	0-500	180 CHF
	501-1.000	350 CHF
	1.001-2.500	650 CHF
	2.501-5.000	1.000 CHF
	5.001-7.500	1.500 CHF
	7.501-10.000	2.000 CHF
	10.000-12.500	2.500 CHF
	12.501-15.000	3.000 CHF

As in earlier years we request that payment be made in Swiss Francs and that the preferred method of payment is to remit directly to our account with Credit Suisse in Basel. Full and complete details to do this are provided on the invoice.

We highly appreciate your continued support of our organization and also your assistance in our mutual interests in EOA. Please keep in mind that the more organizations pay the annual dues the stronger EOA gets and will be hopefully able to do more for its members.

Best wishes and many thanks.
Jon Thorkelsson, treasurer.
